DETAILED ACTION

Response to Arguments

1. Applicant's arguments filed on July 17th, 2006 have been fully considered but they are not persuasive. The applicant argues that the resilient member with the pillowed lower density regions in Baumann's is not configured to be placed over a mouth and at least part of a nose of a user. The examiner disagrees. Baumann clearly states that "When the resilient member is positioned against a wearer's face, **such as** between the wearer nose and eyes". The phrase "such as" indicates that its just one of may locations where the resilient member can be located on a wearer's face such as over a mouth and part of a nose. Baumann used the location between the wearer's nose and eyes as an example. As stated in the summary of the invention and column 4 lines 25-30 mentions the wearer's face not "between the wearer's nose and eyes", and the location "mouth and at least part of the nose" is considered a wearer's face. Therefore claims 1-3, 5, 10, 12, 13, 20 and 25 are still rejected under 35 U.S.C. 102(b) as being anticipated by Baumann et al. as stated in the previous office action dating April 4th, 2006. Claims 4, 15 and 16 are still rejected under 35 U.S.C. 103(a) as being unpatentable over Baumann et al. in view of Niemeyer as stated in the previous office action dating April 4th, 2006.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after

the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
